

Watermain crew working near Central Elementary School.

**WORK COMPLETED THIS WEEK:  
MONDAY 08.10.2020 TO FRIDAY 08.14.2020**

**Central Avenue**

Watermain work has begun at the intersection of Central Avenue and 10th Street. The crew is working their way east and will enter the intersection of Central Avenue and 9th Street on Friday. The work in this area is considered critical prior to school starting. Tree protection fence is also continuing to be installed along the project moving toward Sheridan. Detour signage also start going up over the next couple of days in anticipation for the detour beginning August 17th between Sheridan Road and 11th Street. Westbound traffic only will be allowed.

**WORK SCHEDULED FOR NEXT WEEK:  
MONDAY 08.17.2020 TO SATURDAY 08.22.2020**

**Central Avenue**

Starting the morning of 8/17, the detour will be in place and only Westbound traffic will be permitted on Central Avenue. Watermain crews will continue installing valves and pipe from the intersection of 9th Street moving east. Parking will be temporarily unavailable where crews are working but will become available after work ceases for the day. A second crew is expected to speed up watermain installation starting in the middle of the week between 10th and 7th Street. A survey crew is expected to start performing layout work in the downtown area sometime next week.

There are no water shutdowns scheduled for this week. In the event of an emergency shutdown a notice will be delivered and water will be restored as soon as possible.

**DETOUR INFO**

The detour for Central Avenue will begin on 8/17 - this means Central Avenue will be CLOSED to eastbound traffic between 11th Street and Sheridan Road. On 8/31 the detour will be extended to Green Bay Road until the project shuts down for the winter. PACE buses have modified their routes to accommodate the detour and a detailed exhibit can be found at [www.wilmettestreetscape.com/documents](http://www.wilmettestreetscape.com/documents).

**TRAFFIC EXPECTATIONS**

On Monday, 8/17:

- Detour on Central Avenue will begin. Only westbound traffic will be permitted between 11th Street and Sheridan.
- During the detour westbound traffic may still experience delays due to construction activities.

**BUSINESS/RESIDENT NOTIFICATION**

- Businesses and residents who will be affected by the watermain shutdown will be notified.
- IMPORTANT: If you have an irrigation system in your parkway please mark the location with flags or paint to help prevent damage by construction activities.
