

ROAD RECONSTRUCTION CONTINUES BETWEEN 11TH STREET AND SHERIDAN ROAD

**WORK COMPLETED THIS WEEK:
MONDAY - FRIDAY [04.05 - 04.09]**

- Asphalt surface removal between 11th Street and Sheridan Road.
- Curb and pavement removal between 6th Street and Sheridan Road.
- Roadway excavation and stone base installation between 5th Street and Sheridan Road.
- AT&T's subcontractor, DRS, installed conduit between 10th and 9th Streets.

**WORK SCHEDULED IN THE RESIDENTIAL AREA NEXT WEEK:
MONDAY - FRIDAY [04.12 - 04.16]**

- Roadway excavation and stone base installation continue at 4th Street working west; **this work requires temporary driveway access interruptions; access will be restored as quickly as possible.**
- Pavement removal continues at 6th Street working west.
- Miscellaneous storm sewer work takes place in the 700 block.
- AT&T's subcontractor, DRS, continues structure related work in various project areas.

DETOUR INFORMATION

Central Avenue is westbound-only from 11th Street to Sheridan Road; traffic between 11th Street and Sheridan Road is driving on the north side of Central Avenue. PACE bus detour routes from 2020 are in effect.

Find more information at wilmettestreetscape.com/staging-detour-parking-maps/

TRAFFIC EXPECTATIONS

- Central Avenue traffic between 11th Street and Sheridan Road will remain on the north side; increased trucking activity will continue for the roadway excavation; please use caution in the construction zone.

BUSINESS AND RESIDENT NOTIFICATION

- **South side Central Avenue roadway excavation continues in the residential section between 11th Street and Sheridan Road;** please postpone any parkway work until construction is substantially complete.
- Please exercise caution in the construction zone, especially during school/student drop-off and pickup at Central Elementary.
